

CRAWLSPACE ACCESS DOOR ASSEMBLY

Our crawlspace access door assemblies are designed to fit 6" or 8" concrete forms for a clean, easy solution.

Features:

- Made from 16 gauge galvanized steel
- Frame is 1 piece solid construction
- "Hingeless" door, removable and replaceable
- Rounded edges for ergonomic entry into crawlspace. Reduces injuries—No more scuffed arms and legs!

Model	"A" dimension	Approx Weight
CSD-6	5.95"	32 lbs
CSD-8	7.95"	36 lbs
